The Premises:

A very cramped massage place off the Commercial Road. The massage cubicle was only box room size with sliding doors.

The Lady:

Not the girl photoed. She was older but very friendly and gave a good service.

The Story:

A very unusual punt. I was thinking this was a private flat. It turned out to be a downstairs Thai massage place.

The massage was really good. Firm but not painful. The hot oil massage around my lower back was very soothing.

The turnover moment arrived and I was treated to Reya's very firm 34D breasts. She stroked me off superbly.

She then cleaned me up with a hot towel while massaging my neck and shoulders.
