The Premises:

Well known and whoever the receptionist it is always a friendly welcome.

Allocated to one of the smaller rooms but still had an efficient shower.

The Lady:

Toyah looks exactly as her site pics - very attractive and with full breasts and a butt to die for.

The Story:

I have seen Toyah several times although there had been a longer gap recently as I am not in Northampton much on Wednesdays. But there was still the big smile as she recognised me and I was soon in a clinch enjoying a welcoming, longlasting kiss that only ended when Toyah slipped down to take me in her mouth.

On the bed, we first concentrated on the sexy things with more owo, my roaming mouth and hands over her full and gorgeous figure before a very energetic bout of sex in which Toyah was very fully involved and responsive and I was eventually tired out but happily so. Later on I happily caressed Toyah's breasts and bum while she used a little vibrator on herself.

We had a catch-up on our news like old friends and parted full of smiles, kisses and anticipation of another meeting as soon as I can manage it.

Toyah is a top lady in every way.
