The Premises:

Parlour is in Bury about a 10 min walk from the tram stop. You can walk to and from the station. Parlour is easy to find. Around the corner from the main street. There are cameras when you walk in. There is a front desk and a lounge. The receptionist was very nice.

The Lady:

Brooke is a hot young party girl. She's short with long brunette hair, very pretty and has a nice body. Pics are accurate but she looks better in person.

The Story:

I booked 30 min with Brooke. She was available right away. She is open minded and she provided the services I wanted. I didn't like that I could taste the cigarette smoke on her when I kissed her. I ignored it because she was so hot but I wish she wouldn't have smoked before the session or just had some mouthwash before.

Session was great! My expectations were exceeded. I didn't know she would be that good, and afterward I wished I had booked more time with her. I did get shorted on time though. She showered and left a little early. Didn't even wait to escort me out. The actual session was only about 15-20 minutes. I just wished I would've gotten the full 30 min that I paid for. I told GFE but they didn't respond.

Aside from the smoke and the time, the time I did have a good time with Brooke.
