The Premises:

Karma Sutra is about a 10 min walk from a tram stop on the main street south of the city centre. They have an entrance in the back alley away from the street. The bedroom is small but has everything you need and they have pornos playing in the rooms.

The Lady:

I thought Mackenzie was a good looking middle aged woman with a firm tight spinner body. Pics on the site are not accurate. And she's definitely older than her late 20's. She looks more in her late 40's, possibly even early 50's.

The Story:

She was willing to do the services I requested. Offered me a massage at first, and I declined as I knew we had only a half hour. And that was a bad sign if a wg offers a massage on just a 30 min session. How long would the massage have been before the action? The session was not good. It seemed like Mackenzie didn't really want to be with me and maybe she was even disappointed that I chose her.

The foreplay wasn't good as she didn't kiss for very long, she told me to be gentle with her, she declined a position I wanted, and the bbbj didn't have that much enthusiasm or effort.

When the time was up she asked me if I wanted to see one of the other girls. I saw that as a good and a bad thing. Bad because it was obvious at that point that Mackenzie didn't like me or want to be with me. But it was a nice gesture to offer someone else. Plus the other girl was hot. I thought about it doing it, but the session was so disappointing with Mackenzie that I decided to pass on anymore action with Karma Sutra.
