The Premises:

Close to tube station, the building is easy to find and in a decent area. Once buzzed in, the flat is up a few flights of stairs (no lift) so be prepared for a bit of exercise! Shower/bathroom is basic but acceptable, much like the room itself.

The Lady:

Tall and super-slim, Alexie is not a 'glamour girl' so avoid if that's what you're after. Hers is a more natural, girl-next-door kind of look, quite close to the photos but she tends not to wear as much (if any) make-up. Dressed as requested which was a bonus as many bookings haven't lately!

The Story:

Booking was hassle-free as ever with this agency.

Friendly, welcoming and easy to get along with, Alexie welcomed me in and offered me a shower. After that, while we got to know each other with a bit of chat, she immediately got up close and personal, cuddling up on the bed and putting her hands all over me. DFK right from the start which makes a pleasant change from some of my recent bookings too! She got straight on with OWO which I have to say was amazing. She has a great technique.

She then stripped off and we moved on to various positions - in each case she was super-responsive and lively, giving the impression that she was well into it and continuing with passionate DFK until I couldn't last any longer. Didn't go for a second round as I tend to need a longer booking for that, but I've no doubt she would have been up for another round of fun and I'm pretty sure she would be up for most things as she seems pretty adventurous.

Overall, this is one for those who like their intimate, passionate GFE. As mentioned, she is not as 'glamour model' in looks as a lot of the girls, but is captivating in other ways which more than make up for that.
