The Premises:

As reported many times all HoD places are well presented and discreet

The Lady:

Her photos and description are accurate and up to date. Her breasts are just a handful but her nipples are something else

The Story:

My job meant I had a couple of free hours in London and with HoD offering a special for 2 girls I decided to visit Pimlico and chose Louise and Vicky.

It is only fair to submit a review for each.

Louise is very bubbly and willing to ensure a good time is had. She happily provides all the services on her profile and though it was not an interactive 2 girl she worked well with Vicky to ensure that I repeatedly did not know where to look or who was giving me most enjoyment. Thoroughly enjoyed the meet and if work allows would be happy to meet up with Louise for a 1 to 1
