The Premises:

Basement flat down some steep stairs about 400yds from West Kensington Underground station. The room was warm and inviting. Nice bed.

The Lady:

Chelsea is Lithuanian, not Polish as advertised. She's 26, slim, very, very pretty with lovely long blonde hair. She took me by surprise with her height, as she was taller than me with her heels on, but when she took them off she was just the perfect height to kiss. She's about 5'7. She has lovely breasts with the most suckable, and sensitive nipples. They went so hard so quickly. In my opinion, she's quite possibly the most lovely girl I've met!

The Story:

The experience was absolutely lovely. We kissed. She stroked me. I undressed. I removed her bra to reveal the most lovely breasts. We kissed so much more and then lay on the bed with me feeling all her assets. She then took my erect penis in her mouth, quite some way down too. She licked and sucked my nipples - great! We then had covered sex in three positions with me cumming in a mish. More kissing, then I withdrew and we cleaned up. I promised her a review, and I've kept it. She is beautiful, sexy, and a great time was had. I WILL be seeing her again!
