The Lady:

Alberta does look like her pictures on the website, which is quite rare these days! It says she's in her late 20's on the site, but she looks a lot younger in person; and without much makeup too. She has a perfectly natural body, natural boobs and firm, tight ass etc. Just what you want. She was wearing some lovely black lingerie and a very inviting smile.

The Story:

Considering she wasn't actually my first choice, she was a nice recommendation. It was straight down to business when I arrived, as soon as I'd had a shower. Alberta may not be a great conversationalist, but she knows what you want and she really gets into it. Not that she doesn't speak good English, she really does, but she doesn't seem to have time for idle chit chat. so if that's what you want (which I doubt that it is) this isn't the girl for you.

Started with oral on her. She was incredibly responsive and looks amazing when she's getting into it. Had my hands on her boobs and she loved being grabbed. Her eyes are very deep and sensual and when she looks at you, you just know you're doing the right thing! I usually go for the BJ quite early on, but her enthusiasm got me going so much that I simply had to screw her. She loved all the teasing around her pussy before we covered up and got down to it. She's quite a playful thing. I think that she must have plenty of experience, being that little bit older than many of the other girls at this agency. I enjoyed sex in many positions, and she loved all of them. I went for much longer than I usually do with Alberta, but it was simply because she was so into it and I was less focused on "pleasing myself"!

Finished with the BJ I usually have first and she encouraged me to cum in her mouth! That sexy Russian accent is enough to make anyone burst!

Definitely worth a punt
