The Premises:

Usual very discreet and clean basement flat in up-market area close to main train and tube stations. Room was very clean and tidy, with bathroom likewise.

The Lady:

Ella is approximately 5' 5" and looks exactly like her pictures especially as there is no blurring of her face. She has a pleasant curvy figure with a round bum and soft medium-sized boobs. She has no tattoos and very soft white skin. Her pussy is fully shaven and very tight as well as very wet. I found her attractive and witty as well as game for a laugh, so we clicked very well. She is forthright in what she likes and is very good at the art of satisfaction.

The Story:

Ella was the last punt of my early-Spring holiday and I was not disappointed. I was still glowing from the sultry and beautiful Gabriela last week and I suddenly found myself in the wham-bam world of Ella who blew me away in more ways than one.

God I love punting! I love the final build up to the moment when a previously unvisited girl walks into the room and that initial kiss and cuddle before the action. Ella wore a one-piece lacy thing that was low-cut and fastened by poppers under her crotch. She was soon naked and positioned me standing between two wall mirrors and then dropped to her knees and treated me to three wonderful views of her mouth sliding up and down my cock.

I had to stop her after a while again for fear of coming too soon and spoiling the party. I wanted to taste her and so laid her down on the bed and licked her pussy which I must say is very sweet. She came very noisily and then it was time to put on the condom for some fairly rigorous sex in a variety of positions, including mish with her calves on my shoulders which made a lovely deep fuck.

We then moved onto a 69 with her grinding hard into my mouth for orgasm number two; I was tired of holding back then and so she expertly sucked me with loads of little saliva-laden licks, fingers and ball-sucking which caused me to explode into her mouth.

We still had twenty minutes to go so after she had powdered her nose, we cuddled and chatted which was really pleasant. She never lost the naughty glint in her eye and with a few minutes to go, suggested that I lick her pussy again..... I returned the gesture, this time with a finger deep inside her and with the same jolting noisy come, followed by us both licking her juice from my fingers.

Definitely one for the memory bank and future reference.
