The Lady:

When Jolie walked thru the door you could just tell she was different to the other working ladies. As she enters the room her sweet smell follows her, she is very well presented from head to toe the hair, make up and lingerie look absolutely incredible. Her hair colour was different from the pictures in the profile and I was a bit dubious about it not being the 'real deal' but I would definatly say that although she looks incredible in her profile pictures it is nothing comapred the girl when you meet her she is a real jaw dropper.

The Story:

I only planned a 2 hour booking to begin with but I was so blown away (litterally) by the experiance of meeting her that I ended up extending her for another 4 hours until sadly I had to get ready for work.

From start to finish you could tell that she was only interested in making me happy nothing was too much for her. We did OWO and the deepthroat was incredible. The girl had no gag reflex and gives the best head that you'll ever experiance. As things progressed I went down on her pussy it was the tightest and most beautiful that I've ever seen.

I slipped myself inside her and couldn't even hold back I came almost instantly and thought game over but its no problem for her she'll get you straight back in the mood and geared up for round 2.

Sex aside we spent several hours just talking and enjoying each others company it was a night that I wish would have never ended but she certainly helped me get dressed and send me to work with a smile on my face!

Would rate this lady a easy 10/10! I look forward to meeting her again in the near future.
