The Premises:

It have been to GFE Sheffield a few times and became a member a few weeks ago. The staff are very friendly and always ask if you want a drink - and if course I do - coffee and 2 sugars !
There is a seating area a large tv screen a bowl of sweets - usually mints - probably for the best !
Showers are always working and refreshing with shower gels supplied
Beds are always comfortable and well presented
Each girl must have chosen their own room in the morning and they seem to stick to that room and are obviously responsible for its cleanliness.
Do I look round the room to look for imperfections - no !!

The Lady:

Dark haired - olive skinned (and proud of it) height I would guess at 5 ft 6 - age I would guess at 20-22 - but I am not one to guess girls ages
Nice and genuine girl - no silicone !!

The Story:

I am not normally someone who likes to talk about my experience with a girl - as what happens behind closed doors but I will say she is very accomading
After my shower I lay on the bed and we kissed and played witty each other. I moved down and gave her a good oral session and made sure she was satisfied
This was followed by a session of 69 no condom at this point and by god she knows how to suck my cock !
Then it's a case of her following a condom on with her tongue - very sensual
" what position would I like " I really couldn't give a shit !
So she climbed on top and we fucked for 15 minutes
Then I said to change position and we did it doggy style -- she likes to watch herself in a mirror while being fucked !
How the time flies and what can I say - very nice and true girlfriend experience
Would I see her again - are you mad - of course I would !
