The Premises:

Basement flat at the Warwick Road side of Earls Court.

Easy by tube with the usual difficulties with street parking I imagine.

Ocean rents the flat from another working girl who I think I recognised as Ava Green - also from Sydney.

The flat is superbly appointed in every way imaginable and even has an ensuite domination room! The fully wall tiled shower area is enough for two!

The Lady:

Ocean is slightly smaller than her pictures indicated and a little wider on the hips too however she could be very easily described as a pocket rocket. Beautiful in every way - long flowing hair, succulent breasts with a trimmed pubic area guarding a sweet tasting pussy.

The Story:

Ocean was happy to share a shower with me and we soaped each other up exploring all the nooks and crevices we have. Drying off and into the sumptuous bedroom she climbed on top and proceeded to fellate me expertly with a mixture of hand and between her ample breasts. I could not contain myself for very long under this provocation and came buckets.

After cleaning me up we lay in each other's arms just chatting before my little friend stirred again which elicited the comment that I was so very hard, which I was. I started kissing her from the top flicking her over into a 69 bringing her to a climax with tongue and fingers. She was ready for round two and so I obliged in mish and cowgirl.

Another wonderful shower to clean up whilst chatting.

Ocean is a lovely girl who I'd love to see again should funds permit.
