### The Premises:

Usual clean and discreet location in Fenny Stratford

### The Lady:

Courtney is as described on the website - looks just like her photos. What you can't see in the photos is her truly lovely face which usually has a smile on it. She also has soft, smooth skin, a lovely pair of large and all-natural boobies, and a deliciously squeezable/spankable bum. She does have some ink and piercings.

### The Story:

I started out by undressing Courtney in front of the full-length mirror. I like this, as I can enjoy the front and rear views at the same time. She say she's a size 12; I would describe her as having an hourglass figure - an hourglass with all the sand in the right places.

We moved to the bed for more kisses and cuddles, then covered oral which felt really good - in fact I had to stop her before there was a premature explosion.

She got on top - the view was amazing - and I didn't last long after that. I usually can't get enough sensation to come during covered intercourse, Courtney managed it though.

Some more cuddles and chat, and then it was time to go.

Courtney mentioned that she had never done a fully interactive 2-girl, but would be up for it. I think that might have to go on my to-do list sooner rather than later.
