The Story:

Nightmare punt

Phoned Amy who is also "Sarah Asian" on AW for appointment. Negotiated massage OWO and sex for £70

Duly arrived at apartment was buzzed up, and was greeted by an older woman who I was under the impression was the maid

Told her what I wanted and the price went up to £80, refused and was about to walk then price was back to £70 Alarm bells already.

Told me to undress and lay on bed

Waited about five minutes expecting Amy to appear, instead the maid returned and started to undress. I asked her where Amy was and she replied "I am Amy". I told her she must be joking but she said "it is me in the picture"

Bearing in mind I was boll*ck naked and had handed over cash I had little option but to go through with it.

"Amy" then undressed and revealed a skinny body with hairy muff

She joined me on the bed and I started kissing her. Tried to kiss her neck no, did not like that tits no, did not like that tried some gentle fingering no, "it tickles" she said, tried to get my head between her legs no that tickles as well. This was going downhill fast

Told me to lie on front for "massage" which consisted of her pressing parts of my body but did stroke my ballsack several times. Not impressed.

Was getting fed up so I asked her to suck me, which she did but just the tip, would not take any more than that

Soon got fed up with that so I asked for jonny which she put on and applied lube to

Climbed on top and slid me in, but then started to lean forward so not to get the full length in her

Soon got fed up with that as well so asked her for doggy, she lay on bed but would not raise her arse for penetration. WHF is going on here!

Told her to lie on her back as a last attempt to get a satisfactory shag but even then she positioned her legs so I could not get the whole length in. Had to resort to pushing and holding her legs apart so I could i could get a good thrusting rhythm going. She was quite tight and did not take me long to fill the jonny.

Got cleaned up quickly said my goodbyes to "Amy" and left never to return.

Diabolical punt.
