### The Premises:

### The Lady:

Diane is a lovely young lady (early 20s) with long fair hair, bright eyes and very kissable lips, medium height, slim but with curves and full-breasted. You would certainly notice her in a bar, pub, at a party. She doesn't have photos on the agency website yet, but in my opinion she's gorgeous, very attractive and with a wonderful body.

### The Story:

Diane came to my flat one day during my recent trip to London, all dressed up for the cold weather. Once she was inside I took her coat and we sat down to have some wine (it was a morning meeting but Diane wanted wine, not a cup of tea!). Diane's very friendly and relaxed, and we had an engaging chat before she went into the bathroom to change. She emerged dressed in a white blouse, short skirt and stockings for a little schoolgirl role play, and what an enticing sight she was!

This wasn't a full-on role play, just some playing around and an excuse to have Diane dress up as a sexy schoolgirl and get her to do some naughty things for me. Diane appeared to enjoy being the more submissive partner and followed my instructions very well. She kisses beautifully and provided a long, scintillating session of OWO, and was very responsive when I returned the favour DATY. Diane climaxed first and then I came over her lovely breasts.

Afterwards we curled up on the bed together and chatted some more until it was time for Diane to go. For me it was rather the perfect meeting, a great GFE combined with moments of kinkiness and fulfilled fantasies. I had such a great time that I've already told Pat, the agency owner, when I am next back in London so he can put Diane on alert, as I wouldn't want to miss the chance of seeing her again.
