The Premises:

Well known, pleasant, friendly receptionist as always, very clean and good shower, this time in a small room

The Lady:

I have known Lacey for quite a while and she has not lost any of her very lovely looks including piercing blue eyes and a very fit, trim body. She only has to flash a smile at me and I am in love all over again. If you want her to concentrate on the action, that's what you will get; if like a chat, she's the one to choose.

The Story:

Even though I have seen Lacey a few times, it is always an absolute pleasure to be able to enjoy her personality, her body and her natural sexuality.

So while we caught up on recent events in our lives, we also enjoyed hands on each other's body and Lacey makes it easy to feel you are with a real lover.

Holding, kissing, stroking, enjoying - each of us did what we wanted without taking liberties and the chat and the smiles carried on in among the sexual activities.

Brilliant to see Lacey again and to enjoy her body and her personality again.
