The Premises:

Lovely apartment, easy to find, and in a busy area so no one notices you.

The Lady:

Absolutely stunning, gorgeous smile and come to bed eyes. Better in the flesh than her pictures.

The Story:

Met at the door by Amber, and wow what a sight, led to bedroom, finances sorted. Then playing with her lovely natural breasts as she played with my cock. Onto the bed where Amber gave me a slow sensual bj, licking and sucking everywhere. All the while watching me with those lovely eyes.

Now im not one to be a rock solid type of guy, comes with age, but, my cock was throbbing and very alert, so thank you Amber. Even more so when she began riding me, heaven. Then doggy , which i was pounding her hard, and she certainly enjoyed it, pulling me onto her with her legs. Then missionary , again, going for it which was appreciated.

Couldn't resist having a taste of Ambers pussy, could've stayed there all night, yummy. But needed to fuck her good in doggy again, and wow what an ending , a truly proper fucking by both of us.

Finished the time off with a chilled out chat and cuddle on bed.

Without doubt my best time in years, and all the credit to Amber, i'm still smiling now, i will be back soon.
