The Premises:

A ground floor flat in a small block between Plumstead and Abbey Wood stations. It was spacious inside and there was a shower facility.

The Lady:

A young Hungarian girl, dress size 10/12 with natural C cup breasts. She was friendly throughout the session.

The Story:

This was an enjoyable massage/relief service performed on a massage table. The massage with oil was very relaxing and it felt like Rachelle had been trained. The relief was unhurried and I had every opportunity to sample her natural, firm breasts. I felt lovely and relaxed once I'd come. I had a shower before leaving.
