The girl's place is very close to the south Kensington train station about a 5-minute walk from the station the place it was very tidy and clean with a nice big bathroom and a king size bed very comfortable overall its got a hot shower and clean towels too

### The Lady:

Missy is a very nice eastern European girl she is about 1:60 high and has got very nice curves very nice and sturdy ass and nice tits too about B size she's got a very nice smile and beautiful long blonde hair she is young as well about 22 years old.

### The Story:

I went to Missy house around 20:30 in the evening I walked about 5-minute to her place, when I got to her place she showed me around the house she had a very nice and big bedroom with a bathroom for a shower and she offered a tower and asked if I wanted to have a shower with her, I accepted her offer and went off to the shower with her so started to make out in the shower and with the hot water coming down on me made me really comfortable and relaxed and as things got a little hotter she started to blow me off after that we went to the bedroom and thats when things got really intense at first I went on top of her and she felt amazing very tight and that just turned me on so much, even more, when she was moaning, later she decided to take the lead and went on top and what a amazing experience! that girl has such incredible riding skills then later went to doggy style and I really got to say what an incredible ass that girl has I couldn't have expected anything less from such an amazing girl, the experience was really good and I honestly I couldn't have asked for a better experience and 2 hours was not nearly enough to keep my desires satisfied for that girl.
