The Premises:

Rosie's flat has seen better days, but it's nicely lived-in and feels welcoming - Rosie seems to keep the place very warm, conducive to the activities it hosts.

The Lady:

Rosie is not quite as glamorous as depicted in her photos, which are probably a few years old. But while she is fuller figured now she is still very attractive, with the same bright eyes and sweet smile, and of course the abundance of hair.

The Story:

This was my second visit to see Rosie. She was just as sweet and welcoming as before. Rosie has an easy way about her, and what I especially like is how she tries her best to do those things you like, going out of her way to please you. As per my last visit, she was dressed up in her schoolgirl attire, and it wasn't long before I was running my hands over the uniform and feeling the body underneath. I sat in the sofa while she sat opposite me in a chair, pulled in close, and things moved up a gear with some fetish play. We enjoyed lots of DFK, stroking and fondling, and as things heated up further Rosie moved onto the sofa and took me in her mouth as I stood before her, ending in CIM. Then afterwards I enjoyed a Rosie special - a massage! I'd been having some trouble with my back, so I explained where the main problem was located and Rosie set to work. When I eventually left her flat I felt fulfilled, refreshed and relaxed.
