The Premises:

Raquel has a clean and tidy house on a very small estate outside Ashford. I was able to shower on arrival and once I finished. Her bedroom is tasteful and comfortable.

The Lady:

Raquel is 57 and about 5'10" tall. She is an attractive woman who looks her age, she is not fat but does have a bit of a belly as do many older ladies. She has had a mastectomy due to breast cancer but is going through a reconstruction soon. This did not put me off as her good breast is ample to play with! She keeps her bra on with a silicon breast in so you don't notice at all.

The Story:

Raquel is fantastic! She makes up for her age and lack of breast by being very, very willing indeed! She does gush if fingered hard, she let me spank her ample arse and pussy. She sucks like a limpet and will not stop until told (a very good cock sucker too!) I gave her smooth pussy a good licking too. She does not mind being called names and as I was fucking her she talked dirty and begged for more. She seems to really enjoy sex and she was happy to let me cum over her face, once I had covered her she kept sucking me and after a while I was hard again. This time I fucked her and had another great orgasm. In all I was there about an hour and a half so she is happy to give you more time than you pay for! I'll be using her again very soon.
