The Premises:

My flat, everything was easily arranged with the agency. Tia arrived 20 minutes after calling me.

The Lady:

As per pics, absolute elite totty. She's 36 but doesn't look it. Extremely pretty, fit, leggy figure and lovely enhanced tits.

The Story:

This was a really outstanding experience. Tia is very friendly and we got on well from the start over a glass of wine. I asked her to bring her PVC dress and thigh boots and she brought a whole suitcase full of outfits. I went for the red PVC zip-up and thigh boots. For round 2 she switched to a black zip-up PVC. She looked irresistible in both and had me hard from the outset.

Tia's service is pure GFE. Lots of excellent snogging and great responses at all times. I loved licking her tasty pussy, sucking her nipples and licking her neck. She sucked me perfectly (without), before I fucked her cowgirl, mish and deepstick, with those fuck-me boots around my neck. It was hot, sweaty, mindblowing sex. Unforgettable.

Initially I'd only booked for an hour but I knew she'd get another load out of me so extended for 30 minutes. Mission accomplished with plenty of time to spare! She didn't rush off and we carried on chatting. Apart from being elite totty and dynamite in bed, Tia is a lovely, intelligent person. Great company. This whole experience was a massive treat and I'll be doing it again asap!

10/10 without any question. Treat her well guys.
