The Premises:

I saw Suzy at her Canary Wharf flat - a smart, spacious and modern place and a pleasant ten-minute walk (weather-permitting) from the tube. There's a half-decent "locals" pub just a couple of minutes away to enjoy a pre-punt vodka, let the clock run down to the appointment, and anticipate the pleasures ahead.

Once inside, I noticed that the room was quite brightly lit compared to most venues, but Suzy has absolutely nothing to hide!

The Lady:

I have a strong preference is for ultra-slim healthy-looking girls with natural pert boobs and, try as I might, I simply cannot nit-pick Suzy's appearance or presentation – she is simply stunning!

As a bonus, she is more than happy to accept clothing requests (from her ever-changing gallery, or otherwise) which is not always the case.

The Story:

I'd seen Suzy a couple of times before about eighteen months ago and, although I was impressed by her looks and service, I found her liking for vibrators a bit of a passion-killer and an affront to my fragile ego – I hate the things! Maybe I've matured a little since then, and I often see her profile in the "Featured" tab and so I thought it was about time I made a return visit – albeit on the proviso "just you, me, and no toys!". Suzy realised that I was being a little tongue-in-cheek and was really great about it, saying that I should have simply told her that I don't like mechanical intervention. Doh!

Anyway, after sitting on the bed for a short while to get reacquainted with a bit of a gentle kiss and cuddle, we were soon naked and horizontal with me gradually working my way down to the "Y", which she seemed to appreciate. Suzy then reciprocated with some very sensuous and intense cock-worship - reminiscent of the legendary Thai girl, Coco.

Her oral was as deep as I've ever experienced, and she seemed enthusiastic in 69, particularly when I pushed her up for some face-sitting. Re-positioning, she allowed some decent pussy-play and appeared to become nicely aroused - in fact, my fragile ego was now so boosted that I couldn't hold out for sex and exploded into her mouth.

As it happened, the hour had flown by and so we chatted for a short while before I had a quick clean-up in the en-suite and then emerged to join the Chinese hordes on the Isle of Dogs streets.

To summarize - Suzy is one of the most attractive and professional escorts that I've ever met, certainly on AW. Her profile and gallery are absolutely spot-on (I think she updates it several times a day!) and her service and enthusiasm are incredible – she is a rarity in that she seems to truly enjoy her work, and her rating score and feedback are testimony to that.
