### The Premises:

Discreet location in Fenny Stratford with free parking at the rear of the building. Door bell to gain entry meet and greet by lovely maid who showed me to middle floor and offered a drink. Shower facilities available and the room itself was clean, comfortable and very hot.

### The Lady:

Sasha is a beauty and her pictures do her justice. She is as you see her, tall, slim, elegant looking, smallish but beautifully formed breasts with two "tats" which define her!

### The Story:

This was my second ever "punt" and second visit to this establishment. My first ever "punt" was with Morgan and she was new to the game. With Morgan I was so nervous I could not sustain a hard on, but albeit Morgan was an inexperienced punter coach she perceived with me and got a result.

However, this time the nerves were not as bad and I thought I was ready until I met Sasha.

Sasha came into the room like a whirlwind she knew exactly how to handle an inexperienced punter like me. Paperwork complete she disrobed from a skimpy swimsuit like top to let the dog see the rabbit, and what a rabbit she is.

This time I came prepared with a cock ring to help sustain my hard on. Now It fair to say I like Bj's and have had a few good ones in my time. However, nothing prepared me for Sasha's BJ skills she was a delight and all over my cock the moment my head hit the pillow.

Sasha worked my dick like you'd hoped every wife or girlfriend should. Indeed Sasha blow job abilities would make a perfect training video for the inexperienced lady. Sasha expertly used her tongue & lips to give me a memorable and premature ejaculation. We were only five to ten minutes into our time, but the blow job was so outstanding I could not contain myself because visually watching Sasha slurp and lick was amazing in itself. But, in addition to the feeling of her soft lips and tongue this meant I could not, indeed did not want to hold back, or contain myself, so blew my load all over Sasha's hand.

What now I thought? Do I get dressed and leave roughly half way through my time? Sasha without saying anything she had the answer, her experienced meant she had the situation under control. With a combination of hand relief, stroking and licking I was hard and ready to go again. Sasha was not dominant, more very assertive, I never felt like I was on the clock, she just knew what to do and how to do it to ensure I got maximum pleasure.

On went the protection and slam dunk Sasha went on top cowgirl style. Again, visually this was unforgettable, Sasha gently lowered herself onto my cock without any of her weight on my body. Sasha rode my cock faster and faster this process meant her perky, firm tits, with lovely dark areolas, stiff nipples were swaying and swinging from her chest. I wanted to slap them but thought better of this, however Sasha did allowed me to cup and kiss them as she screwed my dick.

Sasha's pace in the cowgirl position was fast and furious, but I wanted her missionary to give her as good as she was giving me. I sensed she was cumming so I held off a moment until she did then when she slowed down to a blur I rolled us over and took some of the workload. In short a good missionary shag and a successful second cumming, which was an achievement for me.

In my opinion Sasha's style is very clinical / assertive, no nonsense, your there for pleasure and she is there to give you a very good time and keen to please. Be assured you will get what you want.

I would recommend Sasha we never really spoke after, so not much to inform about her personality. Sasha thank you for a lovely time Mike.
