The Lady:

Clara is very beautiful, has a lovely figure and long brown hair. She is exactly as she described on her website and her pictures are accurate. She came across as very friendly and outgoing and put me completely at ease. Within minutes we were chatting like we were old friends. Clara is lively, classy and engaged well with our bar and waiting staff when we went out. She is fun to be with and has a delightful laugh.

The Story:

After meeting in the bar and getting to know each other we went to an excellent local Italian restaurant. Clara is great to talk to and is marvelous company. I discovered she is able to converse on many subjects and she has the life experience to keep you engaged and interested.. She really knows how to tease too, as she was playing 'footsie' with me under the table and flirting outrageously. It was a thorough pleasure to spend time with her, and the few hours we were out on the town served as a wonderful prelude to our private time together. I felt proud to have her on my arm.

When we returned to my hotel we shared a drink before becoming intimate with each other. Clara was very attentive and took care of my every need. She has very smooth skin and I could barely stop touching her. She is very responsive and shows obvious pleasure in her work. She kissed me long and slowly searching out my mouth with hers if I moved away at all. She kept me hard with her soft touch, toying with my hard cock, carefully teasing it, backing off if there was a hint of me climaxing too soon. When we had sex, she started slowly at first as she was on top, then we built up so my orgasm was strong and sustained. We both climaxed together, which made the experience even better, and realistic.

All in all, Clara is one of the best GFE experiences I have ever had. She does not clock watch and genuinely seemed to enjoy my company too. I shall return for more meetings with the delicious Clara.
