The Premises:

Nice discreet flat about 5 minutes walk from Pimlico Underground station. Very clean and a lovely comfortable room and bed.

The Lady:

Tiara is very slim and very pretty. About 5'1 tall. Shoulder length dark hair, which she used to have curled as in her photos. A gorgeous pair of small breasts and beautiful, suckable, sensitive, dark nipples. All in all, absolutely gorgeous. She's 23. She was just like talking to an old friend with a very pleasant manner.

The Story:

What can I say? A really pleasant half an hour with a super sexy young lady. We kissed, and kissed, and kissed. We got undressed and with me sitting in the chair in the room she knelt and sucked my hardening penis, pushing her nose against my stomach! Her nipples were asking to be sucked and sucked they were. Tiara repaid by sucking mine. Then on with the cover at which point my penis was fully hard. Tiara was stunned by its girth, saying she possibly hadn't had one so thick. She is so small and tight that it was an effort to push it into her little pussy, but cowgirl was achieved with more kissing and then more sex in missionary with yet more kissing. I actually think I was hurting her so withdrew, removed the cover and masturbated until I came over her stomach. More kissing and then a clean up. No clock watching. Lots of fun! Tiara is well worth a visit!
