Older than she looks, photoshopped.

The Story:

Delia looks far better in her pictures. She is by no means unattractive but her picture is very photoshopped on her agency website and she looks about 4+ years older than it says she is. I usually go for the ladies who are quite young (under 25) but I would say Delia is late 20s. Rather deceptive if you ask me. Nonetheless, I still enjoyed myself and made the most of it. Delia is good companion and makes you feel at ease quickly, she's nice and certainly knows what she is doing. She enjoys dressing up (school uniform with me) and doing a sexy dance for her punters. Massage and OWO skills are all sound. I don't have any complaints with her performance in the bedroom but as I said, I wasn't overly attracted to her so would give her a miss next time personally.
