### The Premises:

### The Lady:

Jessica and Lucie are both new to escorting. Jessica has a webpage on the 00-44.com site, Lucie doesn't currently, and neither have photos on the site.

Jessica is an attractive Italian lady, late 20s, maybe 5-3, 5-4, with shoulder-length blonde hair. She is slim, with good muscle definition, and medium-sized breasts. Lucie is a young (19) English lass. She is very pretty, quite tall – maybe 5-7, 5-8 – with long fair hair, smiling eyes and full lips, and a curvy figure. The girls arrived dressed for the cold weather, but as this was to be a schoolgirl duo, they changed into more suitable attire: Lucie wore a very skimpy gauze top and very short skirt which left little to the imagination while Jessica was the more 'respectable' student in a white off-the-shoulder top and short dark skirt.

### The Story:

Jessica and Lucie had met each other before but this was their first time as a duo, and at the end of the meeting they admitted to having been quite nervous beforehand. So had I been: meeting two attractive young ladies for the first time for a duo, a lot can go wrong! However none of us need have worried as it all went swimmingly. Before the girls changed into their schoolgirl clothes we all had some wine and chatted easily, and it was clear very quickly that both Lucie and Jessica were good fun and enjoyed each other's company.

For the roleplay, the girls were students with grades so poor they had been directed to me for remedial lessons. Rewards and punishments – which became increasingly naughty - were dependent on their answers to general knowledge questions. The girls (pleasantly) surprised me by encouraging me to spank them a little harder when their answers were wrong, and they were very enthusiastic when receiving their rewards. My time management wasn't as good as it could have been, as we ran out of time before some of the more exotic rewards and punishments I had planned could be indulged. But there was enough DFK, massaging of male bits and female bits, oral, and girl-on-girl activity (the girls DFKing each other and passionately fondling one another, and the highlight being the girls taking turns sitting in a chair to receive DATY from the other girl while also pleasuring me), to persuade me that I absolutely had to see these girls again on my next trip to London in order to tick off the rest of the activities on my to-do list.

The girls seemed very genuine in their reluctance to depart when the time was up, and were still suggesting new options for our roleplay to me as they headed out the door. Absolutely captivating, the girls were charming, sexy, and seemed thoroughly into their schoolgirl adventure!
