Sexy little Greek number!!! She's got nice real perky tits and arse and this cute cheeky smile where you can see her dimples ;)

The Story:

Had the best time with Rihanna oh my god!! This girl is FIT. I've never been with a Greek girl before either so that was a hot new experience. Arranging to meet was easy, was just texting her on whatsapp and she was getting me in the mood before she even came over, sending me all sorts of cheeky emojis and flirting loads saying she can't wait to meet me and that I was in for a treat etc. I told her I wanted her to wear the cheerleader outfit shes got on in her profile, she said she would and sure enough thats what she had on under her coat when she arrived!! She even packed those pom pom things too and done some sexy dances for me ;) Her clothes slowly came off during her cheers until she was fully naked and did this sexy finger movement to summon me over. I was sooo hard by that point. She immediately took my dick and started giving me this insane blow job nice and sloppy. We started banging and as she was riding my dick she grabbed the pom poms and started using them and cheering/moaning while she was riding! It was weird but sexy, never had anything like that before haha. I finished and we had a couple drinks and chat before she suggested we have some more fun. Second round was better, went on for ages and all sorts of crazy positions. I suggested we take a shower together to clean up but sadly she declined cos she didn't wanna get her hair wet :(fair enough I guess! Amazing time overall with this Greek goddess!
