The Premises:

the apartment is located above a row of shops on a busy main road in Whitefield 135 bus and other buses go up the road and the location is a 10 minute walk from Bess of the barn tram stop, on the Bury line there is a car park behind the shops and plenty local parking in side streets, there is high stairs to climb up with the door at the top. the apartment is very well laid out inside and was reopened only last summer after being shut for a while. there is a waiting room toilets and two rooms and two ladies working but it is only open Monday to Friday

The Lady:

Cheryl is from Scandinavia about 5-5 high blond with d cup breasts, i have followed her around various other establishments in Manchester while i have known her. Anna i have only known her since the place opened and about 5-4 with enhanced e cup breasts and is of Chinese/english heritage, the girls usually all ways work the same shift and both have a large personality i mean buck loads of it

The Story:

i had booked both the ladies because i was in a very good mood for an hour of total silliness and ranches, it started with Cheryl and I catching up with our news and then Anna and Cheryl started to get me hard while all so playing with each other and I and sitting on me and then sitting on my face! when i had recovered a bit music was switched on and the girls where dancing all over me bringing me to climax

it was totally surreal experience and a well spent hour of my time. the girls work very well together and there is no limit to what they can get up to, from personal experience they come highly recommended
