The Lady:

Not the lady in the photos and far less attractive! Also appeared to be hiding a bit of a belly.

The Story:

I should have abandoned this incall upon realising it was not the lady advertised in the profile pics, but felt locked in.

Was also shocked to note that this lady did not even have a bed and did the deeds on a small couch in the living room area. She refused to get fully naked and just took her panties off! WTF?

After about 3 minutes of doggy she tried to jerk me off and make me orgasm - what the bloody hell? I took her hand away and she didn't look very impressed. At this point I really should have left but had, rather mistakenly, handed over the cash.

I would avoid this lady like the plague people!
