### The Story:

Appalina blew my mind. I've definitely never had a bad experience with russian chicks! They're proper naughty and love to please their men. Physically, she's every mans dream: huge tits, big lips that don't look overdone, blonde, blue eyes, slim but with curves in good places... Only bad thing i'll say is she showed up 30 mins late which was a bit annoying but she was very apologetic. She was wearing this sexy tight little red dress with some heels and her hair long and curly (think they were extensions but looked hot anyway). I took a shower quickly and then when i got back to my room she was already naked drinking a glass of prosecco! We shared one and then she gave me this hot DFK before taking off my bathrobe and massaging me, rubbing her huge massive tits up and down my back. I turned over and played with her sexy pink nipples, putting them in my mouth and licking those giant tits. She gave me a deep wet blow job which was up there in my top 10 of all time!! I asked her for a tit want as i just couldn't let her leave without her wrapping those massive jugs around my dick. Sexy. Her pussy was nice and tight and soaking wet when I went in. She moaned loads and talked dirty to me whole time. I pulled her hair and choked her a bit too which she said she really liked!! I wish I'd booked her for longer but will deffo have her for at least 2 hours next time round! Lads, book her!
