The Story:

I don't write reports normally but thought I would put the record straight from the report she got last week.

I usually know if a punt with a new girl will be good from the start and french kissing as soon as she walked in confirmed this was going to be good. I enjoyed this so much we kissed for 5 minutes without break until i couldn't keep my trousers on any longer. Undressing her we lay on the bed and continued kissing which led to RO, 69 and then on with condom and sex in her tight little pussy. The 30 minutes flew by and i came over her lovely bum!

I will be back next week.
