The Story:

The Escort that turned up calling herself Medeea didn't look anything like her photos on the website. If it was the same lass then she's has put on at least 50lbs in weight and gone up by 4/5 dress sizes to a BBW escort. Barely conversed with me, everything other than a BJ (with protection) and protected penetration was an extra. This was not mentioned on their website or by the online booking lady. I had booked an hour and got 20 minutes of mechanical sex and she was out the door. There was no pleasure in it and I feel like I've been ripped off, a bad experience that I hope no other punter has to experience. So Gentlemen avoid this site and avoid disappointment.
