The Lady:

Morgan is an attractive lady. I don't think she's a 10, i'd go for a 12 she's curvy, not skinny. FF's is probably right, they were bigger than my hands!

The Story:

I visited Morgan today on the strength of her profile, a couple of reviews and some twitter photo's. Got to admit, the addition of rimming, "giving" to her profile clinched it. I am partial to a bit of rimming and not too many girls offer it (can't blame them, probably not the prettiest of sights). I was let in by the maid she started to go upstairs then doubled back and decided to give me the adjoining room to where the ladies wait behind the curtains. My conversation with Morgan started with her still in the other room. It was good banter and she quickly entered the room with her huge melons screaming to get out of captivity. We kissed, open mouthed we touched, cuddled and then lay on the bed. Morgans breasts were released and boy are they big? I played with them a little and then continued to kiss. Morgan adjusted herself and said do i like licking as well as sucking and I replied yes, I enjoy licking very much, All over!. Morgan got my meaning and proceeded to delve a little lower. She came up and said she'd do a better job in a little while. We then proceeded into 69 with Morgan on top and I enjoyed her sweetness whilst my todger received a very good sucking and licking encounter. Ahh bliss. After a while I decided it was time to fuck, so i asked for doggy and Morgan got on all 4's on the bed. I stood behind and proceeded to give it my best with the occasional slap of Morgans plentiful bottom. Pulling on her hips to get a good motion going. This too was good and Morgan seemed to be making the right noises. I noticed that time was pressing on so we swapped positions, I lay on the bed and Morgan knelt on the floor and applied some lube and gave my arse a right proper seeing to. I was in heaven. After this it just remained to end our encounter with the happy ending to which Morgan set her mouth to the task. Plenty of sucking and taking me deep (sadly I'm not that big) but she did a wonderful job culminating in a CIM which was deposited in a tissue. She doesn't swallow! It doesn't say she does on her profile and so please respect that and don't expect it. What she says she does, she does, and she does it well with good humour and encouragement. All finished, we continued to talk as we dressed and Morgan walked me to the door and gave me a kiss goodbye.

I know some guys say what goes on in the room remains between you but personally I don't find that kind of review helpful. I want to know if you are getting what it states on the profile. Well chaps with Morgan you do.
Thanks Morgan, I really enjoyed our encounter.
