The Story:

Greeted by Jenni (as seen on the telly). Offered a hot drink but just wanted water.

Went straight up to the room and Natalie explained the prices - £30 for basic, £50 for GFE.

Lay on my front while Natalie stroked my back with lotion. Turned over and she started on my front but soon started wanking my cock.

Condom on and had some oral. Invited her to undress which she did but left her bra on - only experienced girls in London walk-ups do this!

Wasn't allowed to touch her pussy or kiss - this is for clients paying the extra for GFE.

Got inside her and pumped to a satisfactory orgasm.

It was all pretty quick but this was more to do with me than her - I was out in 20 minutes but had I lasted longer, sure I'd have got my full half hour.

Natalie was very pleasant and chatty. Gave me the impression most things were available at the right price.

My recommendation is neutral - but if this is the sort of punt you like, you will like her, so I wouldn't discourage anyone from meeting her. I just prefer to see a different lady each time.
