The Premises:

As described by many other reviews, easy access parking to discreet premises.

The Lady:

As per the photos on the website but I'd argue even better in the flesh. Morgan is unbelievably attractive and is very easy going, causing you to relax immediately. I'm a breast man which is why Morgan appealed to me but her body is a place I could have explored all day.

The Story:

Everything that Morgan claims to be on offer, was on offer. I won't go into details as you know the drill.

What I would say is that I do plan to see Morgan again as she is simply a lady that oozes sex appeal and delivers a great service.

I would highly recommend that if Morgan is available that you pay her a visit, you'll kick yourself if you miss out!
