The Lady:

Stunning absolutely stunning much better than her pics on aw. But she has braces on her teeth. Lovely girl but doesn't enjoy what she's doing.

The Story:

She has braces on her teeth, so a bit apprehensive as oral is a huge thing for me. She time wastes. I told her i wanted cim rim and massage. She was up for having a shower together but it took her an age to sort out her hair, but when we got in she washed me and it got quite sexy i tried to wash her and touch her but she did her best to avoid my attention. This was by far the best bit of the punt. We went to her bedroom and she laid me down on my back and started to give me a massage...she concentrated on the important area gave me kisses on the chest but would not let me kiss her. She then gave me a bj and it was ok. I then had to cajole her into a 69 which wasn't easy, she said she was very sensitive..and basically she positioned herself so it was almost impossible for me to reach her pussy..so i just concentrated on what she was doing to me which was very mechanical and finally filled her mouth. I had a quick shower and left fairly disappointed.
