The Premises:

decent flat, tidy clean sheets and towels.

The Lady:

she looked very classy. She had on a tight black dress and was well made up and her hair was done. I could very easily have taken her out to dinner straight away and no one would have batted an eyelid. Tallish beautiful and a very toned body. When we got down to it her classiness carried on to her underwear. she had on some very sexy, obviously expensive panties and bra.

The Story:

She looked classy and acted classy. We had a lovely chat with some wine and then I leaned in to kiss her, she was even classy then too. Everything we did was done in an amazing way like you were kissing and making love to a princess. She didn't lose control but was almost professional so everything was done so well. Her blow job was so hot and when she rode me she was long and slow before speeding it up. All the time she made sure i felt the most and everything was done with me in mind. She didnt control everything but it kind of felt like she was.

Even when i fucked her from behind and then on top she was pushing back at exactly the right time and making sure that i felt the maximum pleasure and it worked.

A very hot time. If you want a girl that will go crazy on you this aint her but if you want someone who will pleasure you to the maximum and looks amazing then Ashya would be ideal.
