The Lady:

I'd estimated 5ft 8. Slim size 8. Facially 6.5/10 with no make up made up she'd be anything up to an 8. Early 20s. No fat. Peachy bum. Tasty slightly outie pussy. Nice breasts but allegedly areolar hypersensitivity. Body 8/10. Overall 6.5/10 cos neither sexy nor young lady next door.

The Story:

Prolly worst punting experience. She was pleasant. Wanted to please I believe. But tried to undress her. She wanted to do herself. Suck nipples no too senesitive. Almost no English. Everything through google translate. Shall I give you oral? Yes. Seemed to quite like it. Didn't try to kiss her. My Johnson was having none of it. But I think it was a lot to do with the vibe. I think she hasn't found her own sp script yet. Also maybe we just didn't click. By the end of the punt mind and body felt pretty useless didn't go in like that although maybe was a little unwell in hindsight. Basically paid her 2000 notes for ro. Some 69, she didn't attend owo. We messed around with a couple of johnnies. I wasn't ok peak form but neither was she. All very civil. She's a pleasant lass. Though maybe not best suited to this work. Left after about 45 mins. Somehow managed to cum. Had to ask for some sort of wipe as was stranded on bed covered in jizz. Nice. Gave her a peck on the cheek. Said thank u. And left. Not a model fuck. Barely a fuck. Pleasant lass tho and she tried I think. Maybe mojo gone!!! 5/10
