The Premises:

Her place is a nice little basement flat in Bayswater, not far from the tube station. Nice and easy to find. Comfortable inside, mirrors all over the room for good viewing and a nice bathroom with everything you need.

The Lady:

Donna isn't a lot like her pictures, although you can tell when you meet her. She's very pretty, but her pictures are a little touched up in all honesty. Petite, as most Thai girls are, very slim and dressed as requested in a nurses outfit. She also had on white fishnet hold ups which was a nice addition. Overall very well presented. Her boobs are nice and firm, not too hard for enhanced boobs.

The Story:

Donna is very enthusiastic. Nice OWO and CIM. She's good at deep throat too if you let her do it. She doesn't mind a little pushing, but I did it a little too hard at one point and made her eyes water a bit! She's a trooper though, took it well and didn't complain. Her OWO action is superb.

Nice massage in between after she visited the bathroom to spit! Not as good as some of the massages I've had from Thai girls at this agency, but still quite good. She got things going again nicely with an oily hand job and straight back into OWO. Sex in every position I wanted, and it was very hot and sensual. She likes to be held tightly.

A great girl, very keen and very sexy. Would visit again, but after I've seen the rest of them!
