The Premises:

Excellent Directions as usual - very easy to find... The flat was very good - Very clean with Shower facilities big enough for two..

The Lady:

The lady is 5ft tall, about 26 yrs old or so, size 6 and big breasts... The pictures are accurate but don't do her justice she is absolutely gorgeous..

The Story:

Arrived 5 minutes early and let in to her room.. I passed to her the envelope and she got out of her outfit and led me to the shower - After a very intimate shared shower we retired to the bedroom where she put her outfit back on and we started to kiss.. At this point I will not go into details about what we got up to but take it from me it was a lot of fun and she is very persistent... Afterwards I went back for another shower and she helped me dress, leaving with a kiss and a cuddle... She is a right pocket rocket and I will be back to see her again...
