The Premises:

Easy to find place about 5 minutes walk from Victoria station. The apartment is of the usual high standard from House of Divine and I had a nice shower.

The Lady:

Effy is absolutely stunning! previous reviews have mentioned her eyes and I can confirm that they are beautiful. She has lovely small breasts with both nipples pierced and quite a few tattoos, which I loved. Her pussy is fully shaved and she has the most gorgeous bum. She is very softly spoken and sounds very sexy when she talks. She has a hippychick look to her that I adore. I have wanted to see her for months and am glad I have finally got round to it. She looks better in the flesh than her unblurred photos on the House of Divine website, if that's possible. In my opinion, I found her perfect.

The Story:

After my shower, I waited in the room for Effy to arrive. She offered me a drink but I declined. We got on the bed and after some nice kissing, Effy kissed parts of my body before moving further down. She started licking my balls and then I asked her to gently put little kisses on my cock, to which she did superbly for about a minute. And then Effy put my cock into her mouth. Pure bliss! Her OWO was performed slow and sensually and at one point she did get it quite deep in her mouth. We then moved on to a lovely 69, which I am guilty of cutting a bit short as by then I was so eager to have sex with Effy. Like her blow job, it was nice and slow. I stayed in missionary position the whole time. No clock watching from Effy but I did notice that time was getting on and I asked to finish with some more OWO, to which she obliged. She offered CIM but I wasn't ready to cum. I could have carried on for ages with her but finances and her schedule wouldn't have allowed it! After I got dressed, she walked me to the door and gave me a kiss goodbye.

Effy is a truly beautiful girl and if I had to sum her up in one word, it would be "classy". She was smiling and chatty throughout and has a wonderful personality. I really want to see her again and recommend her to any men who are seeking the softer, more sensual GFE.

To conclude, the half hour yesterday was as perfect as it could get and thank you Effy for such a

wonderful time.
