The Premises:

I have been there few times now and I am very impressed, certainly i won't go anywhere else.

Hush massage parlour has everything needed for the purpose. Discrete entrance, advance booking, separate showers, themed decor, mirrors for proper views, tidy spacious rooms, polite but wild girls and no chance of meeting anybody else than the girl you have booked for massage.

I was always greeted with upon arrival, offered a drink and offered a shower.

After nicely job done I was offered shower again and a good bye kiss.

The Lady:

She should be in 30s, beautiful with nice bum and boobies. She is intelligent, knows what her client expect.

The Story:

I have seen her twice and next time i will go for her again. With her it feels like I am not with a stranger.

It started with relaxation and very soon I became so horny. She knows how to please a man and kept me at the edge for 20mins, i was like begging to explode.. and phewwwwwww, still feel it :). Speciality of Sam is she does the service over and beyond expectation of normal Massage. She encouraged me to touch and kiss her too.

My darling Sam, i am coming for you again ... mmmuuaahhh
