The Premises:

Usual clean flat in Fenny Stratford. The town should be renamed Fanny Stratford in recognition of the fun to be had there.

The Lady:

Both early 20s, both cute, both friendly, both naturally busty. Courtney blonde, Morgan brunette.

The Story:

I had previously visited both girls individually and enjoyed my time with them. When I saw Courtney before she did mention that she had never done any sort of interactive 2-girl but might be up for it. When I checked their website that morning, I saw that not only were both girls working that day, but the parlour was running their 2-girl discount (hence the price of £100, normally £120).

I have had disappointing duos in the past, so I only booked 30 minutes as I was not sure what kind of chemistry they would have with each other. As it turned out I need not have worried!

Watching two girls kiss, and fondle/suck each others' boobies is a huge turn-on for me. So is receiving oral and an ear nuzzle at the same time. Needless to say, I was in heaven.

The 30 minutes was over all too soon. I will be booking longer next time.
