The Premises:

Her place was nice but was not too clean

The Lady:

Stunning blonde, Fake tits, very skinny

The Story:

Got to her place, she open the door, first impact was wow, but then got inside her room and it was a total mess, not very clean, you would expect paying top money for this girl that she would live in a very posh place,

I was very sceptical laying down in her bed, her English is not very good either

I was very disappointed by this girl, you would expect top notch for what you pay.
