The Lady:

She is as exactly as she says in her profile but better. An incredible smile, and gorgeous body. She has to die for breasts.

The Story:

Had a wonderful time with Nicole, she is very very open minded and up for almost anything. She is very receptive and has a very naughty streak. A perfect GFE. From what she said she also too has a very kinky side and is a real pleaser. Perfect nipples and a great ass. I will be back for more and she said she likes to play with the ladies.
