The Premises:

Her place was clean and tidy and the neighbourhood was well lit. Parking at that time of night was not too bad but there is Earls Court station for those who would prefer public transport. The shower facilities were great

The Lady:

Babette is a very beautiful 23 year old Russian lady with a petite frame and perky boobs. She closely resembled her photos which was great

The Story:

Babette was stunning opening the door and very open once i entered her home. She was up for almost anything and i was ready to give it to her. We started by kissing with tongues and slowly undressing her. Then we moved to her bedroom where Babette was ready and willing to be fingered and then fucked rough by me. Overall it was a really good experience with her and i would be willing to see her again for some BDSM.
