The Premises:

Nice place, close to tube station. Apartment building that's easy to access and no-one bothers you. Comfortable, spacious apartment. Nice and tidy. Shower wasn't brilliant, but it was good enough for the brief amount of time I spent in it!

The Lady:

Britney looks quite similar to her pictures on the website. Obviously they're studio shot pictures, but they've also been smart enough to put some selfies on there, so I knew what I was going to get. I wanted a petite, busty blonde, and that's exactly what I got. She's very hot girl, much prettier in person and she was dressed amazingly in just panties and bra.

The Story:

Britney is a really confident young woman. Not at first, but once I'd had a shower and we'd shared a couple of laughs etc. and things started to warm up, she soon settled in. Took off her bra to reveal some of the nicest boobs I've seen in weeks! She gave me really nice, wet OWO and maintained eye contact throughout, really seeming to enjoy it. In fact I could have finished there, but I think she charges extra for that to happen! We progressed to sex in several positions. My favourite was her on top. I got to play with those big boobs, all natural by the way, and just lovely and soft! Finished in doggy and we were both very happy!

Had a little chat and I decided to give her a massage for a change. When she turned onto her front I couldn't resist spending all my time on her ass. It's very cute! Didn't take long with the lotion all over that ass for me to be "ready" for another go with her. Started in this position with her legs closed and ended with an oily hand job all over her boobs!

Recommended? Hell yes, at £150 you couldn't ask for more!
