The Story:

I will start by saying that Carly is not my type in person. She is a bit bigger than her photos suggest and I tend to like my ladies slim and toned. For that reason I can only give her an average review because I was not overly attracted to her personally. HOWEVER, she is a lovely fun woman and she puts in a lot of effort performance-wise. I did enjoy my hour with her as she's good company and she did everything I asked for. She gives nice massages and her OWO is perfect. I'm sure lots of punts will like her services and her looks so yes, i'll still recommend her.
